

STUDENT DIRECT OFFICER'S REPORT TO COUNCIL 18.5.10

- Worked on the last issues of the paper
- Nominated several writers for the 'best journalist' category at the NUS awards as well as organising the Student Direct: Mancunion entry for the 'best student media' category.
- Started organisation, research and writing for Uncovered (the annual freshers' mag)
- Attended Student Direct board meeting with Robyn, the new SD Officer.
- Arranged a meeting between the new Salford SD Editor and Robyn
- I have agreed, following exec meeting, that I would undertake the production of a union publication specifically dedicated to Union business and the work of the exec, in a similar vein to January's 'Rant' but will probably take on a different format this time around.
