

Since last Council I have worked on the final issues of Student Direct for the term.

Also:

- Picked up where our ad exec left off (currently recruiting a new one) dealing with people who've placed paid adverts in the paper. Chasing their artwork etc, making sure they get billed.
- Attended Student Direct board meeting
- Planned new ideas for semester two's paper
- Commissioned some interviews and articles
- Worked with LGBT committee on content for LGBT awareness week
- Worked on pagination for Issue 13 (due out on 8<sup>th</sup> Feb)
- Helped a journalist from the Times speak to some students about tuition fees
- Helped Laura with 'Union Propaganda', a rant week newspaper she was coordinating
- Wrote some copy on elections for Union Propaganda
- Worked on some features of my own for the paper
- Wrote references for several members of the SD team
- Other admin and email (I had over 1000 to deal with after I came back off holiday!)
