

Rivs Meeting - 05/03/09

Man Met Union

- We don't like the undemocratic changes made to the union.
- Action - write a comprehensive guide of why a women's officer is needed, and tackle the argument that no one stood for it so it's irrelevant.

Feminist Debate

- 24th March 5pm ' Feminism is NOT dead!' debate with Manchester Debating Union.
- Fiona and Rachel to be debaters.
- Action - Decide as a group what the arguments are.

Feedback from Wear Hijab Day

- 'Really good day'.
- interesting range of reactions and noticeable the different treatment when in hijab, e.g. people opened doors.
- Enjoyed the interactive discussion and thought the sisterhood was strong!
- Glad that controversial issues were brought up and openly discussed.

Play

- Decided the money raised from Lis will go to 'Women in Prisons' the charity.

NUS Women's

- We've found the NUS Women's campaign to be quite unsisterly this year and hope the election of a new WO will change this.
